Holy Name Medical Center

Aaron Wey, MD, FAAOS, FACS
Adult and Pediatric Spine Surgeon

NEW PATIENT SPINE INTAKE FORM

How to complete this form

1. Save this file to your computer first, then open it with the free Adobe Acrobat Reader. (If you fill it in inside an email preview or a web browser tab, your answers may not be saved.)

2. Type your answers. Many sections start with a Yes / No question - if your answer is No, press the Skip button and move on. Most patients skip several sections.

3. Section 8 (treatments you have already tried) is the most important part. Please gather those records before you send the form back.

4. Save the form, then reply to the email our office sent you and attach BOTH this completed form AND your records, all in the same email.

Email is not a fully secure way to send health information. If you would rather not email it, bring the completed form and your records to your visit.

1. About you

Required. Please complete this section even if you skip others.

LAST NAME (required) | **FIRST NAME (required)** | **DATE OF BIRTH (required)** | Today's date

Height | Weight | Best phone number to reach you | Completed by (if not the patient) and relationship

2. Contact and insurance

☐ **Your office already has my current contact and insurance information.** Skip to Section 3 »

Street address | City | State | ZIP

Email | Emergency contact (name and relationship) | Emergency contact phone

Insurance company | Member ID | Group number

Primary care doctor (name, town) | Who referred you to us? (name, town)

3. Reason for your visit

In your own words, what is the main problem you want help with?

When did it start? (for example: March 2025) | If it began with an injury or accident, what happened?

How did it begin? ◯ Gradually ◯ Suddenly ◯ After an injury or accident ◯ After a surgery

Since then it is: ◯ Getting worse ◯ Staying the same ◯ Getting better ◯ Comes and goes

Is this related to: ◯ A work injury (workers' comp) ◯ A car accident ◯ A lawsuit ◯ None of these

Last name _____ First _____ DOB _____

Where are your symptoms? Check every area that applies.

- ☐ Neck
- ☐ Mid back
- ☐ Right leg or foot
- ☐ Clumsy hands (buttons, handwriting)
- ☐ Right arm or hand
- ☐ Low back
- ☐ Left leg or foot
- ☐ Curvature / posture concern
- ☐ Left arm or hand
- ☐ Buttock or hip
- ☐ Trouble walking or with balance
- ☐ Other (describe in Section 3)

These answers decide which later sections apply to you. NECK or ARM symptoms: complete Section 7A and Section 15. LOW BACK or LEG symptoms: complete Section 7B and Section 14. Trouble with balance or clumsy hands: also complete Section 16. Skip the ones that do not apply.

How bad is it? Average over the past week (0 = none, 10 = worst imaginable). Leave a row blank if it does not apply.

	0	1	2	3	4	5	6	7	8	9	10
Neck pain	◯	◯	◯	◯	◯	◯	◯	◯	◯	◯	◯
Arm pain	◯	◯	◯	◯	◯	◯	◯	◯	◯	◯	◯
Back pain	◯	◯	◯	◯	◯	◯	◯	◯	◯	◯	◯
Leg pain	◯	◯	◯	◯	◯	◯	◯	◯	◯	◯	◯

4. Urgent symptom check

Please answer every line.

Do not wait for your appointment

If you have NEW loss of bladder or bowel control, new numbness in the groin or inner thighs, or weakness that is getting worse quickly: call our office today or go to the nearest emergency room.

New loss of bladder or bowel control, or new trouble starting to urinate	◯ Yes	◯ No
New numbness in the groin, genitals, or inner thighs ("saddle" area)	◯ Yes	◯ No
Weakness in an arm or leg that is getting worse quickly	◯ Yes	◯ No
Fever or chills together with your spine pain	◯ Yes	◯ No
Weight loss you cannot explain (more than 10 lbs)	◯ Yes	◯ No
Any history of cancer	◯ Yes	◯ No
A recent serious fall, car accident, or other major injury	◯ Yes	◯ No
Pain that is constant and worse at night, not eased by any position	◯ Yes	◯ No
A recent infection, or use of injected drugs	◯ Yes	◯ No

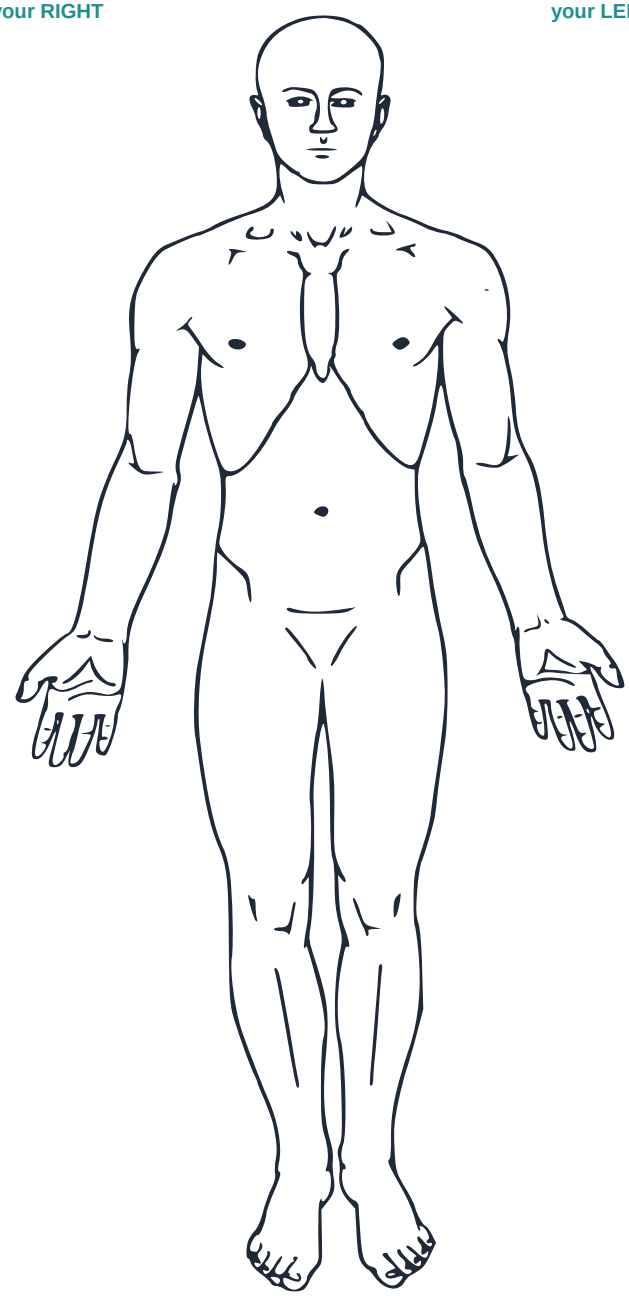

If you answered Yes to any of these, please explain

Last name | First | DOB

5. Body diagram: where is your PAIN?

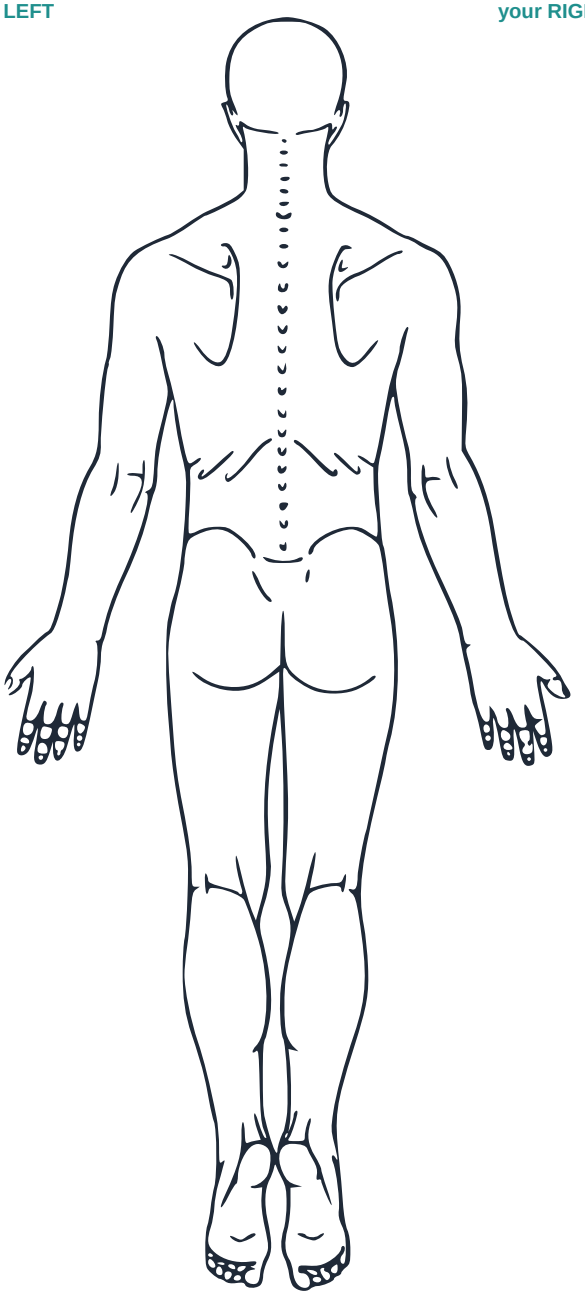

Click (or tap) on the body wherever you feel pain. Each click places a red mark; click the same spot again to remove it. If the pain travels, mark the whole path - for example from the low back, down the outside of the leg, to the foot.

your RIGHT your LEFT

FRONT

your LEFT your RIGHT

BACK

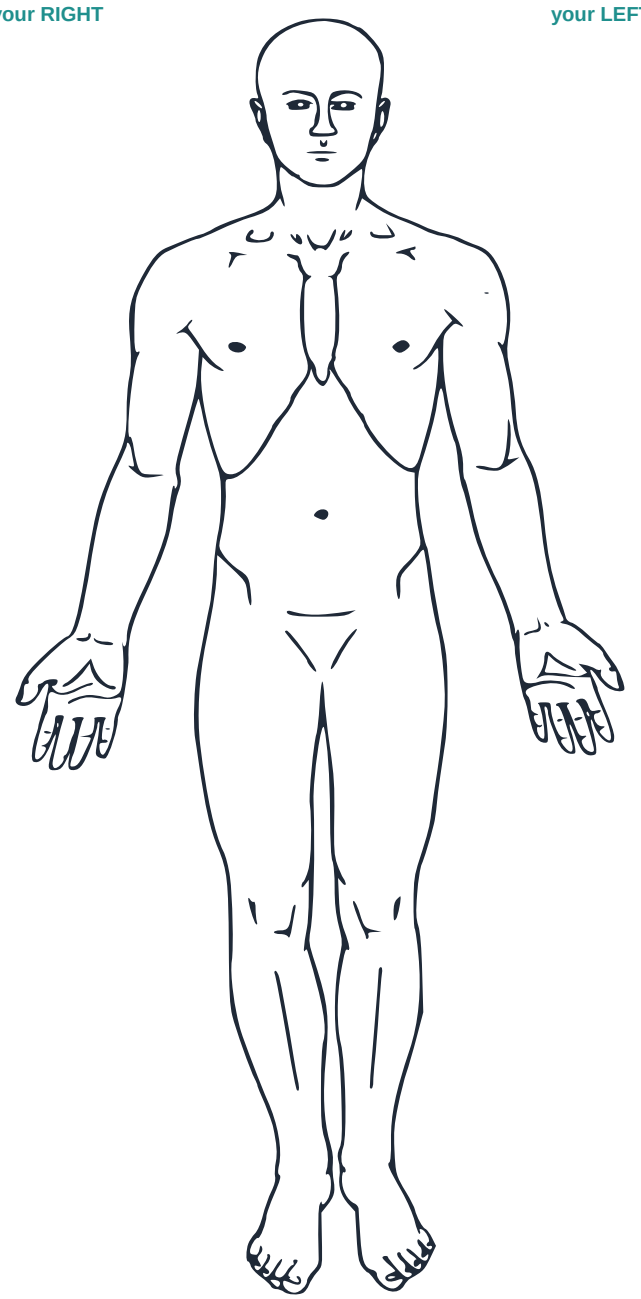

What does the pain feel like? Check all that apply.

- ☐ Aching or dull
- ☐ Sharp or stabbing
- ☐ Burning
- ☐ Shooting or electric
- ☐ Throbbing
- ☐ Cramping or spasm
- ☐ Pressure or tightness
- ☐ Constant
- ☐ Comes and goes

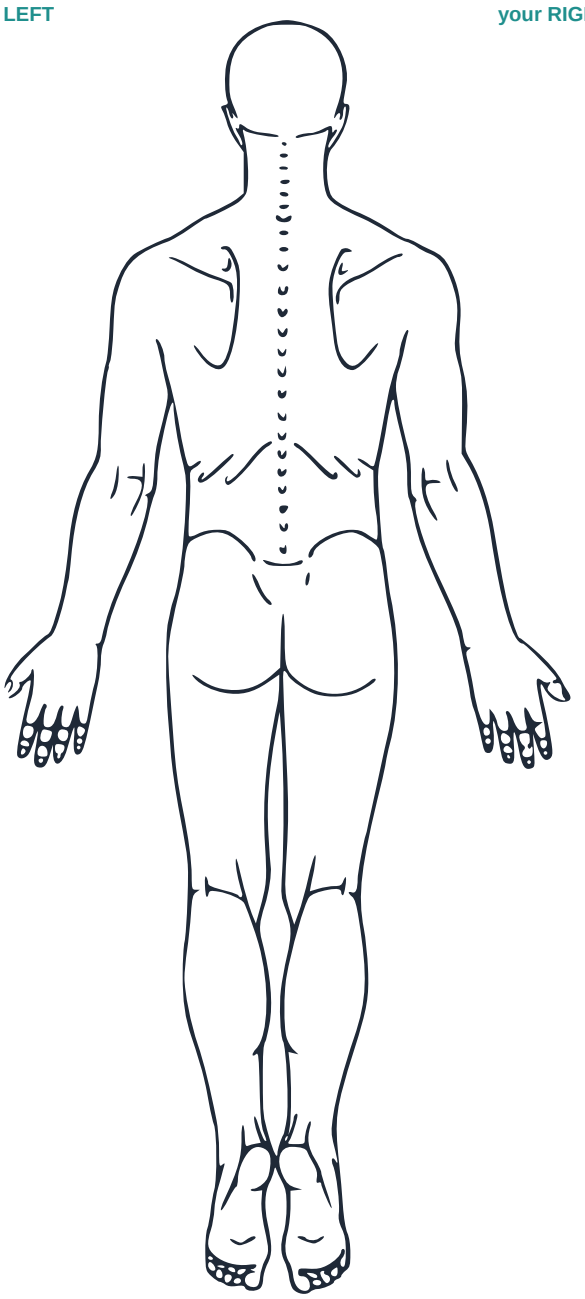

Last name | First | DOB

6. Body diagram: where is it NUMB or TINGLING?

Click wherever you have numbness, pins and needles, or a part that "falls asleep". Marks here are blue. If you have none, leave the figures blank and go on.

FRONT

BACK

Tell us more

☐ Numbness ☐ Pins and needles ☐ A part that "falls asleep" ☐ Burning skin ☐ Cold or hot sensation

WEAKNESS - which arm, hand, leg or foot feels weak, and what is hard to do?

Any other symptom not shown (itching, cramping, coldness ...) and where

Last name _____ First _____ DOB _____

7. About your symptoms

Complete only the parts that apply to you.

7A. Neck and arm

Do you have neck or arm symptoms?

◯ Yes ◯ No If No, skip to 7B »

Which is worse? ◯ Neck pain ◯ Arm pain ◯ About equal

Which arm? ◯ Right ◯ Left ◯ Both ◯ Neither

How far down does it travel? ◯ Shoulder only ◯ Above the elbow ◯ Below the elbow ◯ Into the hand or fingers

Which fingers are affected? (check all)

☐ Thumb ☐ Index ☐ Middle ☐ Ring ☐ Little finger ☐ None

What makes it WORSE? (check all)

☐ Looking up ☐ Turning the head ☐ Reaching overhead ☐ Coughing or sneezing
☐ Driving ☐ Computer or desk work ☐ Lying down ☐ Nothing in particular

What makes it BETTER? (check all)

☐ Rest ☐ Resting the hand on top of the head ☐ Medication
☐ Heat or ice ☐ Changing position ☐ Nothing helps

7B. Low back and leg

Do you have low back or leg symptoms?

◯ Yes ◯ No If No, skip to 7C »

Which is worse? ◯ Back pain ◯ Leg pain ◯ About equal

Which leg? ◯ Right ◯ Left ◯ Both ◯ Neither

How far down does it travel? ◯ Buttock only ◯ Thigh, above the knee ◯ Below the knee ◯ Into the foot or toes

How far can you walk before you must stop?

◯ Less than 1 block ◯ 1 to 2 blocks ◯ 3 to 5 blocks ◯ More than 5 blocks ◯ No limit

What makes it WORSE? (check all)

☐ Sitting ☐ Standing ☐ Walking ☐ Bending forward
☐ Bending backward ☐ Coughing or sneezing ☐ Lifting ☐ Lying down

What makes it BETTER? (check all)

☐ Sitting down ☐ Leaning on a shopping cart ☐ Lying down ☐ Walking
☐ Changing position ☐ Medication ☐ Heat or ice ☐ Nothing helps

Does your foot slap or drag, or do you catch your toes and trip? ◯ Yes ◯ No

Does a leg give way or buckle? ◯ Yes ◯ No

7C. Hands, walking and balance - everyone please answer

Increasing clumsiness with your hands - buttons, handwriting, picking up coins? ◯ Yes ◯ No

Dropping things more than you used to? ◯ Yes ◯ No

Unsteady on your feet, or needing to hold on to walk? ◯ Yes ◯ No

An electric shock down your spine or limbs when you bend your neck? ◯ Yes ◯ No

If you answered Yes to any of these four, please also complete Section 16.

Last name | First | DOB

8. Treatments you have already tried

This is the most important section of the form

Insurance companies will not approve further treatment, including surgery, without written proof of the non-surgical care you have already had. Two things are needed for each treatment below:

1. FILL IN THE DETAILS - where you went, who treated you, the dates, how often, how many visits, and whether it helped. Full names and phone numbers are especially useful.

2. ATTACH THE RECORDS to the same email as this form. Call each office and ask for: physical therapy - the first evaluation, the visit notes or attendance log, and the discharge summary; injections - the procedure notes; chiropractic, acupuncture, massage - a visit log or dated receipts; medications - a "medication history" printout from your pharmacy; imaging - the radiologist's written report.

More detail is better, but do not let a missing detail stop you. If you cannot get a record, still fill in what you remember and tell us in Section 11 - we will help request it.

8A. Physical therapy

Have you had physical therapy for this problem?

◯ Yes ◯ No If No, skip to 8B »

Clinic name | City and phone number | Therapist's name

Ordered by (doctor) | Start date (MM/YYYY) | End date (MM/YYYY) | Visits per week | Total visits (about)

What did you work on? (exercises, stretching, traction, dry needling, aquatic therapy ...)

Result: ◯ Helped a lot ◯ Helped somewhat ◯ Helped only briefly ◯ Did not help ◯ Made it worse

Records: ◯ Attached to my email ◯ I will send or bring them ◯ I could not get them

A second course of physical therapy, if you had one:

Clinic name, city, phone | Start (MM/YYYY) | End (MM/YYYY) | Visits per week | Total visits | Result

8B. Home exercise program

Have you done a home exercise program for this problem?

◯ Yes ◯ No If No, skip to 8C »

Who set it up? ◯ A physical therapist ◯ A doctor ◯ An app or online program ◯ A printed handout ◯ On my own

App or program name (if any) | Start date (MM/YYYY) | End date, or "still doing" | Days per week | Minutes per session

What exercises? (core strengthening, stretching, walking ...) | Result

Last name | First | DOB

8C. Other hands-on and supportive treatments

Check "Tried" for each one you have had, and fill in that row. Leave the others blank.

Treatment	Tried	Provider or clinic, city, phone	Dates (from - to)	How often	Total visits	Result	Records attached
Chiropractic	☐						☐
Acupuncture	☐						☐
Massage therapy	☐						☐
Brace or collar	☐						☐
TENS unit	☐						☐
Other:	☐						☐
Other:	☐						☐

If you checked "Other", what was it? (yoga, Pilates, traction, pain psychology, inversion table ...)

8D. Injections

Have you had any spine injections or nerve procedures?

◯ Yes ◯ No If No, skip to 8E »

Type	Level and side (L4-5 right)	Date (MM/YYYY)	Doctor and facility, city, phone	% relief	Relief lasted	Notes attached
						☐
						☐
						☐
						☐
						☐

8E. Medications you have tried for this problem

Have you taken any medication for this problem (prescription or over the counter)?

◯ Yes ◯ No If No, skip to Section 9 »

Medication and dose	Type	Prescribed by	Dates (from - to)	Result	Still taking
					☐
					☐
					☐
					☐
					☐
					☐

Your pharmacy (name, town, phone) - they can print a "medication history" for you

Pharmacy printout attached?

Last name | First | DOB

9. Imaging and tests

Check each test you have had for this problem and tell us where. The written report is what we need most.

Test	Had it	Body area	Date (MM/YYYY)	Facility name and town	Report attached	Bringing the disc
X-ray	☐				☐	☐
MRI	☐				☐	☐
CT scan	☐				☐	☐
EMG / nerve test	☐				☐	☐
Bone density (DEXA)	☐				☐	☐
Other:	☐				☐	☐

10. Previous spine surgery

Have you ever had surgery on your neck or back?

◯ Yes ◯ No If No, skip to Section 11 »

Operation (for example: L4-5 fusion)	Date (MM/YYYY)	Surgeon and hospital	Result	Operative report attached
				☐
				☐
				☐

11. Records checklist

Check each kind of record you are attaching to your email, so we can confirm we received everything.

- ☐ Physical therapy records
- ☐ Acupuncture records
- ☐ MRI report
- ☐ EMG / nerve test report
- ☐ Injection procedure notes
- ☐ Massage therapy records
- ☐ CT report
- ☐ Operative reports
- ☐ Chiropractic records
- ☐ Pharmacy medication history
- ☐ X-ray report
- ☐ Other doctors' office notes

Records you could NOT get - list the office name and phone number, and we will help request them

Anything else you want Dr. Wey to know before your visit?

Last name | First | DOB

12. Your medical history

Medical conditions - check all you have or have had

- ☐ Diabetes (Type 1)
- ☐ Diabetes (Type 2)
- ☐ Hypertension (high blood pressure)
- ☐ Coronary artery disease
- ☐ Prior heart attack
- ☐ Prior stroke or TIA
- ☐ Atrial fibrillation
- ☐ Heart failure
- ☐ Osteoporosis
- ☐ Osteopenia
- ☐ Kidney disease
- ☐ COPD / Lung disease
- ☐ Asthma
- ☐ Cancer
- ☐ Rheumatoid arthritis
- ☐ Lupus / Autoimmune disease
- ☐ Depression
- ☐ Anxiety
- ☐ Sleep apnea
- ☐ Bleeding disorder
- ☐ Blood clots / DVT / PE
- ☐ Peripheral neuropathy
- ☐ Multiple sclerosis
- ☐ Parkinson's disease
- ☐ Seizure disorder / Epilepsy
- ☐ Fibromyalgia
- ☐ Obesity
- ☐ Thyroid disease
- ☐ Liver disease
- ☐ HIV/AIDS
- ☐ Hepatitis
- ☐ None of these

Other conditions, and details for any checked above (type of cancer, year, etc.)

Implanted devices and blood thinners

- ☐ Pacemaker
- ☐ Defibrillator (ICD)
- ☐ Spinal cord stimulator
- ☐ VP shunt
- ☐ Baclofen pump
- ☐ Insulin pump
- ☐ Cochlear implant
- ☐ Joint replacement
- ☐ Prior spine hardware
- ☐ None

Blood thinners or antiplatelet medicines (Eliquis, Xarelto, warfarin, Plavix, aspirin ...)

Other surgeries (operation and year)

Current medications and allergies

All medications you take now, with dose and how often - or write "list attached" / "none"

Allergies (medicines, latex, metals, tape, contrast dye) and the reaction - or write "none"

About you

Tobacco or nicotine: ○ Never ○ Former ○ Current smoker ○ Vaping ○ Smokeless / nicotine pouch

If current or former: how much, how long, quit date

Alcohol (drinks per week)

Occupation

Work status: ○ Working full duty ○ Working with restrictions ○ Off work because of this ○ Retired ○ Disabled ○ Other

Who lives with you?

Cane, walker, wheelchair, or other aid?

Family history (scoliosis, spine problems, osteoporosis, bleeding or anesthesia problems)

Last name | First | DOB

13. Review of symptoms

Check anything you have had recently. If nothing in a group applies, check "None" for that group - most people check "None" for most groups.

General & Whole-Body
- [ ] None
- [ ] Fevers or chills
- [ ] Night sweats
- [ ] Unexplained weight loss (more than 10 lbs)
- [ ] Unusual fatigue or malaise

Eyes
- [ ] None
- [ ] Recent changes in your vision
- [ ] Double or blurred vision

Ears, Nose, Mouth & Throat
- [ ] None
- [ ] Hearing loss or ringing in the ears
- [ ] Difficulty or pain when swallowing
- [ ] Hoarseness or a change in your voice

Heart & Circulation
- [ ] None
- [ ] Chest pain or pressure
- [ ] Shortness of breath
- [ ] Racing or irregular heartbeat
- [ ] Leg swelling

Breathing & Lungs
- [ ] None
- [ ] A cough that will not go away
- [ ] Wheezing or asthma
- [ ] Sleep apnea, or been told you snore heavily

Digestive
- [ ] None
- [ ] Changes in bowel habits
- [ ] Nausea or vomiting
- [ ] Abdominal pain
- [ ] Frequent heartburn, reflux, or stomach ulcers

Bladder & Urinary
- [ ] None
- [ ] Changes in bladder function
- [ ] Increased urinary frequency or urgency
- [ ] Difficulty starting or maintaining urination

Muscles & Joints
- [ ] None
- [ ] Joint pain or swelling (besides your spine symptoms)
- [ ] General muscle weakness
- [ ] Recent falls

Skin
- [ ] None
- [ ] Any new rash
- [ ] Any current wounds, sores, or skin infections
- [ ] Any skin breakdown from sitting or lying down

Nerves & Brain
- [ ] None
- [ ] Frequent headaches
- [ ] Dizziness or lightheadedness
- [ ] Seizures
- [ ] Memory or concentration problems
- [ ] Trouble with balance, or feeling unsteady on your feet
- [ ] Increasing clumsiness with your hands — buttons, handwriting, dropping things

Mood & Sleep
- [ ] None
- [ ] Feeling down, depressed, or hopeless
- [ ] Feeling anxious or on edge
- [ ] Trouble sleeping because of your pain

Hormones & Metabolism
- [ ] None
- [ ] Diabetes or high blood sugar
- [ ] Thyroid problems
- [ ] Osteoporosis, thinning bones, or a fracture from a minor fall

Blood & Lymph Nodes
- [ ] None
- [ ] Bruise or bleed easily
- [ ] History of blood clots in the legs or lungs
- [ ] Swollen glands
- [ ] Any history of cancer

Allergies & Immune System
- [ ] None
- [ ] Any recent or frequent infections
- [ ] Seasonal allergies or hay fever
- [ ] Take steroids or medicines that lower your immune system

Anything checked above that you would like to explain

Last name First DOB

14. Low back questionnaire

Complete this page ONLY if you have low back or leg symptoms. No back or leg symptoms - skip to Section 15 »

For each topic, choose the ONE statement that best describes you today.

1. Pain Intensity
- ◯ I have no pain at the moment
- ◯ The pain is very mild at the moment
- ◯ The pain is moderate at the moment
- ◯ The pain is fairly severe at the moment
- ◯ The pain is very severe at the moment
- ◯ The pain is the worst imaginable at the moment

2. Personal Care (Washing, Dressing, etc.)
- ◯ I can look after myself normally without causing extra pain
- ◯ I can look after myself normally but it causes extra pain
- ◯ It is painful to look after myself and I am slow and careful
- ◯ I need some help but can manage most of my personal care
- ◯ I need help every day in most aspects of self-care
- ◯ I do not get dressed, I wash with difficulty, and stay in bed

3. Lifting
- ◯ I can lift heavy weights without extra pain
- ◯ I can lift heavy weights but it gives me extra pain
- ◯ Pain prevents me from lifting heavy weights off the floor, but I can manage if they are conveniently placed
- ◯ Pain prevents me from lifting heavy weights, but I can manage light to medium weights if they are conveniently positioned
- ◯ I can only lift very light weights
- ◯ I cannot lift or carry anything at all

4. Walking
- ◯ Pain does not prevent me from walking any distance
- ◯ Pain prevents me from walking more than 1 mile
- ◯ Pain prevents me from walking more than 1/2 mile
- ◯ Pain prevents me from walking more than 100 yards
- ◯ I can only walk using a cane or crutches
- ◯ I am in bed most of the time

5. Sitting
- ◯ I can sit in any chair as long as I like
- ◯ I can only sit in my favorite chair as long as I like
- ◯ Pain prevents me from sitting for more than 1 hour
- ◯ Pain prevents me from sitting for more than 30 minutes
- ◯ Pain prevents me from sitting for more than 10 minutes
- ◯ Pain prevents me from sitting at all

6. Standing
- ◯ I can stand as long as I want without extra pain
- ◯ I can stand as long as I want but it gives me extra pain
- ◯ Pain prevents me from standing for more than 1 hour
- ◯ Pain prevents me from standing for more than 30 minutes
- ◯ Pain prevents me from standing for more than 10 minutes
- ◯ Pain prevents me from standing at all

7. Sleeping
- ◯ My sleep is never disturbed by pain
- ◯ My sleep is occasionally disturbed by pain
- ◯ Because of pain I have less than 6 hours of sleep
- ◯ Because of pain I have less than 4 hours of sleep
- ◯ Because of pain I have less than 2 hours of sleep
- ◯ Pain prevents me from sleeping at all

8. Sex Life (if applicable)
- ◯ My sex life is normal and causes no extra pain
- ◯ My sex life is normal but causes some extra pain
- ◯ My sex life is nearly normal but is very painful
- ◯ My sex life is severely restricted by pain
- ◯ My sex life is nearly absent because of pain
- ◯ Pain prevents any sex life at all

9. Social Life
- ◯ My social life is normal and gives me no extra pain
- ◯ My social life is normal but increases the degree of pain
- ◯ Pain has no significant effect on my social life apart from limiting my more energetic interests
- ◯ Pain has restricted my social life and I do not go out as often
- ◯ Pain has restricted my social life to my home
- ◯ I have no social life because of pain

10. Traveling
- ◯ I can travel anywhere without pain
- ◯ I can travel anywhere but it gives me extra pain
- ◯ Pain is bad but I manage journeys over 2 hours
- ◯ Pain restricts me to journeys of less than 1 hour
- ◯ Pain restricts me to short necessary journeys under 30 minutes
- ◯ Pain prevents me from traveling except to receive treatment

Last name _____ First _____ DOB _____

15. Neck questionnaire

Complete this page ONLY if you have neck or arm symptoms.

No neck or arm symptoms - skip to Section 16 »

For each topic, choose the ONE statement that best describes you today.

1. Pain Intensity
- ◯ I have no pain at the moment
- ◯ The pain is very mild at the moment
- ◯ The pain is moderate at the moment
- ◯ The pain is fairly severe at the moment
- ◯ The pain is very severe at the moment
- ◯ The pain is the worst imaginable at the moment

2. Personal Care (Washing, Dressing, etc.)
- ◯ I can look after myself normally without causing extra pain
- ◯ I can look after myself normally but it causes extra pain
- ◯ It is painful to look after myself and I am slow and careful
- ◯ I need some help but can manage most of my personal care
- ◯ I need help every day in most aspects of self-care
- ◯ I do not get dressed, I wash with difficulty, and stay in bed

3. Lifting
- ◯ I can lift heavy weights without extra pain
- ◯ I can lift heavy weights but it gives me extra pain
- ◯ Pain prevents me from lifting heavy weights off the floor, but I can if they are conveniently placed
- ◯ Pain prevents me from lifting heavy weights, but I can manage light to medium weights if conveniently positioned
- ◯ I can only lift very light weights
- ◯ I cannot lift or carry anything at all

4. Reading
- ◯ I can read as much as I want to with no pain in my neck
- ◯ I can read as much as I want to with slight pain in my neck
- ◯ I can read as much as I want with moderate pain in my neck
- ◯ I can't read as much as I want because of moderate pain in my neck
- ◯ I can hardly read at all because of severe pain in my neck
- ◯ I cannot read at all

5. Headaches
- ◯ I have no headaches at all
- ◯ I have slight headaches which come infrequently
- ◯ I have moderate headaches which come infrequently
- ◯ I have moderate headaches which come frequently
- ◯ I have severe headaches which come frequently
- ◯ I have headaches almost all the time

6. Concentration
- ◯ I can concentrate fully when I want to with no difficulty
- ◯ I can concentrate fully when I want to with slight difficulty
- ◯ I have a fair degree of difficulty in concentrating when I want to
- ◯ I have a lot of difficulty in concentrating when I want to
- ◯ I have a great deal of difficulty in concentrating when I want to
- ◯ I cannot concentrate at all

7. Work
- ◯ I can do as much work as I want to
- ◯ I can only do my usual work, but no more
- ◯ I can do most of my usual work, but no more
- ◯ I cannot do my usual work
- ◯ I can hardly do any work at all
- ◯ I can't do any work at all

8. Driving
- ◯ I can drive my car without any neck pain
- ◯ I can drive my car as long as I want with slight pain in my neck
- ◯ I can drive my car as long as I want with moderate pain in my neck
- ◯ I can't drive my car as long as I want because of moderate pain in my neck
- ◯ I can hardly drive at all because of severe pain in my neck
- ◯ I can't drive my car at all

9. Sleeping
- ◯ I have no trouble sleeping
- ◯ My sleep is slightly disturbed (less than 1 hour sleepless)
- ◯ My sleep is mildly disturbed (1–2 hours sleepless)
- ◯ My sleep is moderately disturbed (2–3 hours sleepless)
- ◯ My sleep is greatly disturbed (3–5 hours sleepless)
- ◯ My sleep is completely disturbed (5–7 hours sleepless)

10. Recreation
- ◯ I am able to engage in all my recreation activities with no neck pain at all
- ◯ I am able to engage in all my recreation activities with some pain in my neck
- ◯ I am able to engage in most, but not all, of my usual recreation activities because of pain in my neck
- ◯ I am able to engage in a few of my usual recreation activities because of pain in my neck
- ◯ I can hardly do any recreation activities because of pain in my neck
- ◯ I can't do any recreation activities at all

Last name | First | DOB

16. Hand and walking function

Complete this ONLY if you answered Yes to any question in 7C.

All No in 7C - skip to Section 17 »

For each topic, choose the ONE statement that best describes you now.

1. Upper Extremity Motor Function

How well can you use your hands?

- ○ I have no difficulty with hand function — my writing, buttoning, and eating are normal
- ○ I have slight difficulty with buttons or fine hand movements, but can do most things
- ○ I have noticeable difficulty with buttons, writing, or handling small objects
- ○ I can move my hands but cannot button my shirt or handle chopsticks/utensils well
- ○ I can move my hands but cannot feed myself with a spoon
- ○ I am unable to move my hands

2. Lower Extremity Motor Function

How well can you walk?

- ○ I walk normally with no balance or coordination issues
- ○ I walk on my own but notice mild balance or coordination issues
- ○ I can walk on my own including stairs, but I notice moderate instability
- ○ I can walk on flat ground on my own but need a handrail for stairs
- ○ I need a cane, walker, or someone to help me walk
- ○ I can move my legs but I am unable to walk
- ○ I am unable to move my legs but have some sensation
- ○ I am unable to move my legs and have no sensation

3. Upper Extremity Sensation

How is the feeling in your hands and arms?

- ○ I have completely normal sensation in my hands and arms
- ○ I have mild numbness or tingling in my hands or arms
- ○ I have significant numbness or pain in my hands or arms
- ○ I have complete loss of feeling in my hands

4. Bladder Function

How is your urinary control?

- ○ I have completely normal bladder function
- ○ I have mild difficulty — slight urgency or frequency
- ○ I have significant difficulty — I strain or have retention issues
- ○ I am unable to control my bladder

17. Your questions for Dr. Wey

What do you most want answered or addressed at this appointment? Writing it here lets Dr. Wey prepare before he sees you.

Your questions, and anything you specifically want addressed at the visit

What are you hoping this visit will achieve? (a diagnosis, treatment options, a second opinion, to discuss surgery ...)

18. Send it back

Before you send

Save this form (File > Save), then reply to the email our office sent you. Attach this completed form AND every record you checked in Section 11 to that one email, so we receive everything together.

If a file is too large to email, send what you can and tell us what is missing - we will arrange another way.

- ☐ I saved this form after filling it in
- ☐ I attached the completed form to my email
- ☐ I attached my treatment records (or listed in Section 11 the ones I could not get)

By typing my name below, I confirm that this information is accurate to the best of my knowledge.

Type your full name (this is your signature) | Date | If signing for the patient: your name and relationship
